

Parking Facilities at St Luke's Church

Please make this information known to all who will be using the building while you are hiring it.

Parking facilities at the church are very limited.

However, there are car parks within easy walking distance of the church. The Victoria Woodholme car park costs are: 1 - 3 hrs £1.60, 3 - 5 hrs £2.60 and all day £3.80; £1.00 for Sunday all day. (Correct at April 2021). No charge after 6pm.

Area at the rear of the church - there are three spaces available at the rear of the church which can be used by prior arrangement with the Vicar or Verger, but please note that this area is shared with the Funeral Directors and various people who have garages leading off the area. **They need to have access at all times.**

Please ask people to drop passengers (other than those who are disabled) at the front of the church for them to walk down to the hall. When it is dark lights down the side of the building can be left on.

Area at front of the Church – there is a space for 'disabled parking', which will take 2 small cars.

There is also limited parking here for other vehicles, but the pedestrian entrance must not be obstructed.

REMEMBER: SHOULD THERE BE AN ACCIDENT/INCIDENT THE ROADWAY DOWN TO THE BACK OF THE CHURCH WILL BE THE ACCESS FOR EMERGENCY VEHICLES
