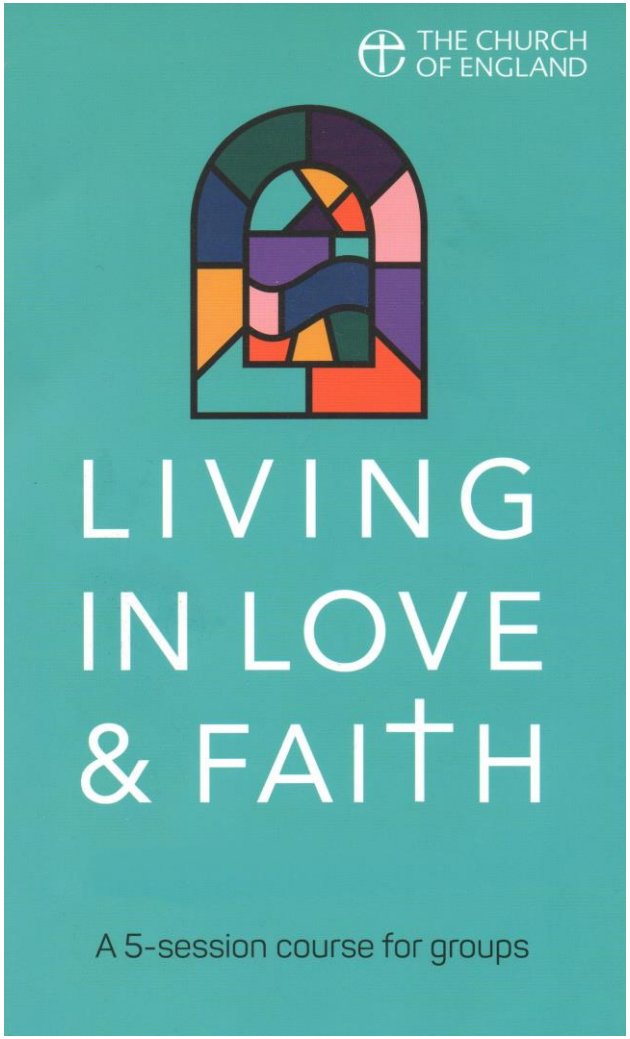
LIVING IN LOVE AND FAITH

An important course from the Church of England
looking at issues of love and faith

The course covers issues of relationships, sexuality, etc
including same-sex relationships.

The aim – to help us find a way forward
that is honouring to God,
that helps us to relate to other people in all their variety,
and that preserves as far as possible the unity of the Church

.We shall run the 5-session course later in the autumn,
but for now we invite you to come to one or other
of two “taster” sessions


These will be at: **St Luke’s, Buckfastleigh**
on Tuesday September 21st at 7.30pm
and
St Petroc’s, South Brent
on Friday 24th September at 4.00pm
